## ➤ Candidates Profiles Listing Screen

The screenshot shows the 'Candidates Profiles Listing Screen' for the jobXpress application. On the left is a vertical navigation sidebar with icons and text links: dashboard, Search, **Hire Candidates** (selected), Notifications, About Us, profile, and Log Out.

The main content area displays a profile card for 'Emily Davis' (Medical Doctor). The card features a placeholder image of a person with glasses, the name 'Emily Davis', the title 'Medical Doctor', and a 'Visit profile' button.

Below this, another partial profile card is visible, showing a placeholder image of a person's head.

On the right side of the main content area, there is a section titled 'Information' with fields for 'Email' (user4@example.com) and 'Phone' (4567890123).

## ➤ Company Notifications Screen

The screenshot shows the 'Company Notifications Screen' for the jobXpress application. The layout is identical to the Candidates Profiles Listing Screen, with a sidebar on the left and a main content area on the right.

The main content area displays two notifications:

- Emily Davis has applied for the Data Scientist position.
- Eleanor Turner has applied for the Data Scientist position.

Both notifications are represented by grey cards with a placeholder user icon and the notification text.

➤ About US Page[Same as User Side]

- *Not mentioned*

➤ Company Profile Screen

The image displays two side-by-side screens. The left screen is the 'Company Profile Screen' for 'Tech Innovators' on the jobXpress platform. It features a sidebar with icons for dashboard, search, hire candidates, notifications, about us, and profile (which is selected). The main area shows the company name 'Tech Innovators' with an industry of 'Technology' and location 'San Francisco'. It lists contact information: email 'tech@example.com' and phone '999887777'. Buttons for 'View More', 'Add more details', and 'Available Positions.' are present, along with a 'Hire now' button. The right side of the image is a digital illustration of a team of diverse individuals working together on a massive smartphone. One person is climbing a ladder to reach the top of the screen, while others are using various tools like a megaphone, a wrench, and a ladder to work on different parts of the device. The background includes clouds and a small tree.

## ■ Add More details

The screenshot shows the jobXpress application interface. On the left is a sidebar with icons for dashboard, search, hire candidates, notifications, about us, and profile. The profile icon is highlighted with a dark grey background. The main content area displays a company profile for "Tech Innovators". The profile includes fields for Industry (Technology), Location (San Francisco), Email (tech@example.com), and phone number (9998887777). Below these fields are three buttons: "View More" (orange), "Add more details" (blue), and "Available Positions" (green). A purple "Hire now" button is at the bottom. To the right of the profile, there is a large white box titled "Add More details" containing sections for "About Us", "Mission", "Why Work With Us", "Established Year", "Current Openings", "Website", and "Social Media Links". Each section has a corresponding input field.

## ■ View more

This screenshot shows the same jobXpress interface as the previous one, but the "Add More details" section is now empty. Instead, it displays a message "No Details Found" in the top right corner of the white box. A single "ADD DETAILS" button is visible below the message. The rest of the interface, including the sidebar, company profile, and "Hire now" button, remains the same as in the first screenshot.

## ▪ Available positions

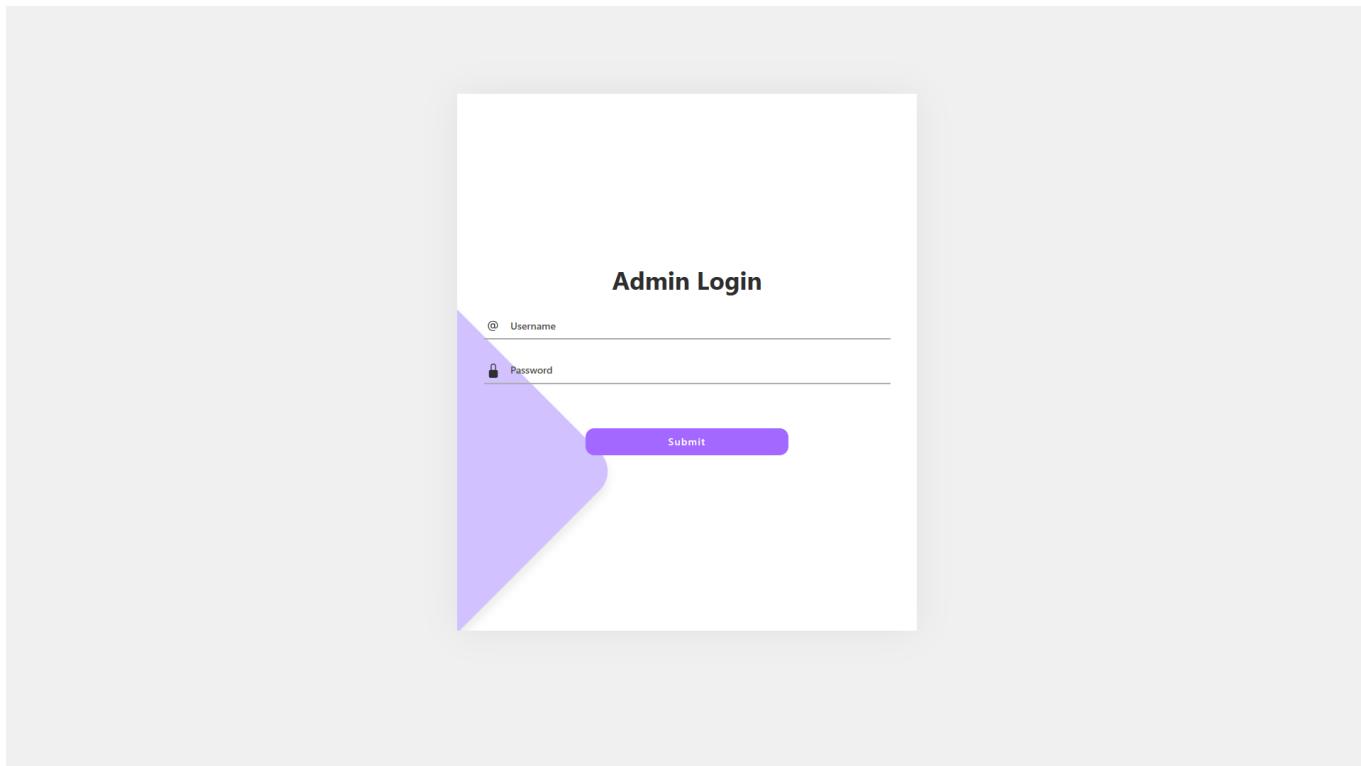

The screenshot shows the jobXpress application interface. On the left, there is a sidebar with icons for dashboard, search, hire candidates, notifications, about us, and profile. The profile icon is highlighted with a dark grey background. In the center, there is a search bar with the placeholder "Tech Innovators". Below the search bar, there are fields for Industry (Technology), Location (San Francisco), Email (tech@example.com), and phone number (9998887777). At the bottom of this section are three buttons: "View More", "Add more details", and "Available Positions". A purple "Hire now" button is located at the bottom right of this central area. On the far right, a detailed view of a job listing for a Data Scientist is shown. The listing includes the job title "Data Scientist", company "Tech Innovators", location "Boston, MA", and a note that it was posted 5 days ago. It also includes sections for Job Description, Requirements, Responsibilities, Benefits, and How to Apply.

## ▪ Job Posting Form

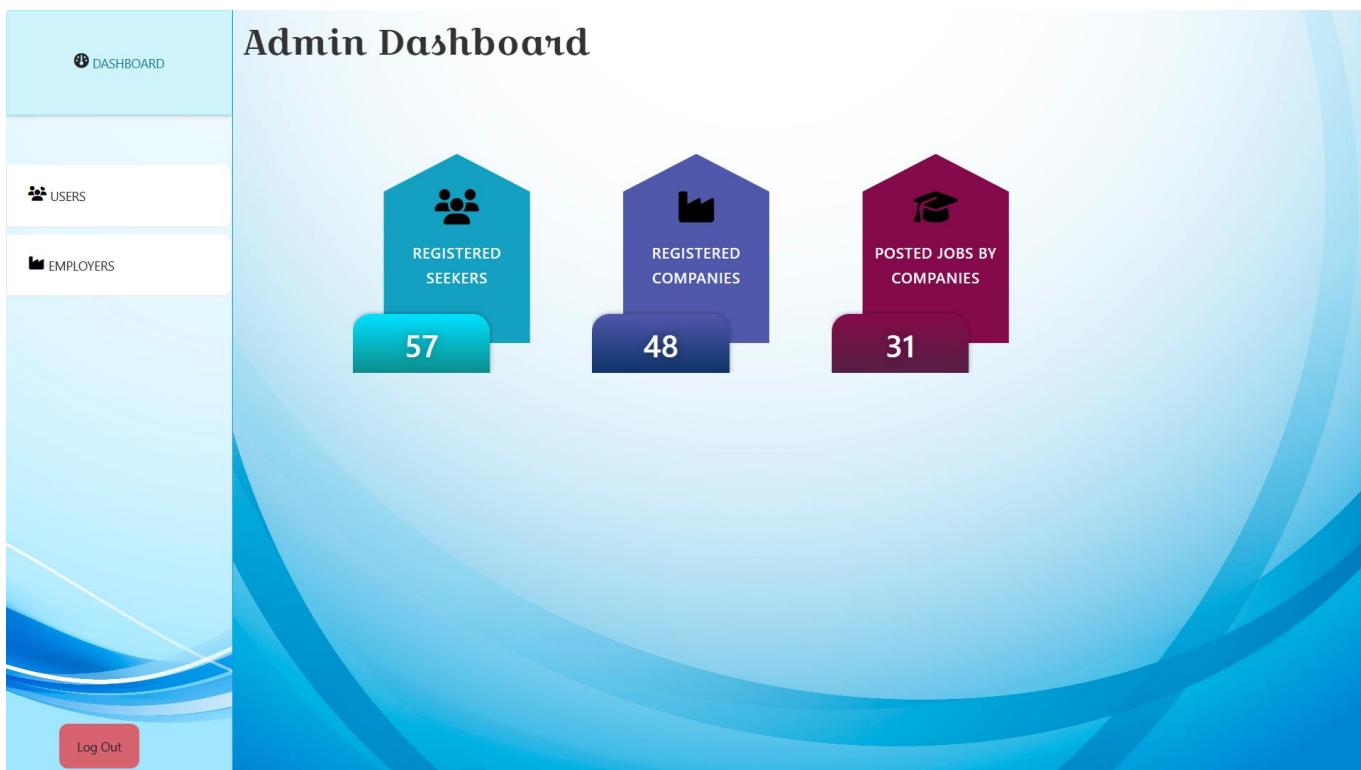

The screenshot shows the jobXpress application interface, similar to the previous one but with a different focus. The sidebar and central search bar are identical. However, the central area now contains a large, dark grey "Post Your Job" form. This form includes fields for Job Title, Location, Salary, Job Type, Application Deadline, Job Description, Requirements, and Responsibilities. Each field has a placeholder text indicating what should be entered. The overall layout is clean and modern, with a focus on the form fields.
